

Theresa Baker, OTR/L, CHT

Theresa is an occupational therapist specializing in hand therapy. She earned her bachelor's degree in biology and an associate's degree in chemistry from Presentation College in Aberdeen, South Dakota. She went on to earn a master's degree in occupational therapy from the University of Mary in Bismarck, North Dakota, in 2011. After completing a hand therapy mentorship program in Phoenix, Arizona, she earned her certification in hand therapy in 2018.

Her career has been dedicated to the treatment of upper-extremity injuries. Theresa enjoys the challenge of working with a variety of complex injuries and diagnoses and is skilled in fabricating custom splints. Her main goal is to educate her patients and guide them through the recovery process so they can return to independence in their home and work lives.

In her free time, Theresa enjoys kayaking, swimming, completing jigsaw puzzles, and spending time with her husband and their two dogs.
