

Kylie France, DPT, CMPT

Kylie graduated with her Doctorate of Physical Therapy from the University of Montana in Missoula. While working towards her DPT, Kylie received education in a variety of clinical settings, including outpatient orthopedics, skilled nursing, and acute care in a hospital intensive care unit. Kylie also earned her Bachelors of Science in Biology, with a minor in Chemistry from Northern Arizona University in Flagstaff.

Kylie is currently completing specialized training to become a certified manual therapist through the North American Institute of Orthopedic Manual Therapy. Professional interests additionally include an approach emphasizing preventative treatments, overall health and wellness, and restoration of quality of life.

In her free time Kylie enjoys gardening and staying active with her husband, son, and dog. Her greatest passions are traveling and exploring the Montana outdoors through backpacking, biking, cross-country skiing and running.
