

Natalie Gates, SLP

Natalie earned her Master of Science in Speech-Language Pathology from the University of Montana after completing her bachelor's degree at Montana State University and prerequisite coursework in Communicative Sciences and Disorders through the University of Montana. Natalie is a Clinical Fellow providing assessment and treatment for adults with communication and cognitive disorders related to stroke, traumatic brain injury, and neurodegenerative disease. Her background in education influences her collaborative approach to therapy, and she enjoys helping clients develop strategies that support communication in everyday situations. As she begins her career as a speech-language pathologist, Natalie is committed to expanding her clinical expertise through mentorship, continuing education, and evidence-based practice.

Born and raised in Montana, Natalie enjoys taking advantage of the states outdoor recreation and is looking forward to exploring more of the Bitterroot Valley!
